4. No. 6. Komati caste do

2. Read Government Proceedings No. 5221-30—Ml. 257-06-1, dated the 17th December 1906, issuing instructions as regards the preliminary action to be taken by them in connection with the new Municipal Regulation, VII of 1906, ordered to be brought into force from 1st January 1907.

Resolved that a Committee be formed to go through the matter carefully and bring up any proposals at another meeting. The Committee to consist of the President, Mr. Cook, the Senior Surgeon and District Medical Officer, Mr. Venkata Char, Executive Engineer, and Messrs. D. Venkataramaiya, Dorasami Iyer, Appajiah, C. Krishnamurti, Venkatarangiengar, Hardy, N. Ramabhadriah and Oosman Khan.

3. Read Government Proceedings No. 5333—Ml. 115-05-9, dated the 20th December 1906, approving the Board's recommendation as proposed by the City Municipal Schools Committee that the Committee may be dissolved and a Standing Sub-Committee of the Municipal Commissioners consisting of Messrs. D. Venkataramaiya, B. Appajiah and N. Ramabhadraiya be appointed to supervise the Kannada Municipal and Aided Schools in the City.

Resolution.—Recorded.

4. Read the General and Revenue Secretary's docket No. 5090—Ml. 69-06, dated the 14th December 1906, forwarding for disposal petition from one Gurupadappa, editor of 'Jayadhwaja,' praying for some suitable help from Government.

Resolved that a copy of the endorsement already granted to petitioner be forwarded to Government.

5. Read the General and Revenue Secretary's docket No. 5449-50—Ml. 310-06-2, dated the 22nd December 1906, calling for information as regards the amount of expenditure incurred, income realised and the cost of maintenance of the Electric Power Distribution Establishment in the City, and enquiring if a reduction in rates for house-connections proposed by the Members of the last Representative Assembly is feasible.

Resolution.—After discussing the letter received from Mr. Gibbs, Chief Electrical Engineer, it is resolved that as the present rates per unit—metre rate and flat rate—are too high to allow of small house-owners applying for the same, Government be asked to reduce the present rates and remove the metre hire of Re. 1 per month and it be ascertained how many applicants require such lights at reduced rates within the next six months, and further, the Board would beg to point out that the conclusion arrived at by the Chief Electrical Engineer in his letter of the 21st instant cannot be taken as correct, considering the initial state of the present Electrical Lighting Scheme.

6. Read the General and Revenue Secretary's docket No. 5420—Ml. (304-06-2), dated the 21st December 1906, calling for the opinion of the Board as regards the necessity for the revision of the rules relating to the supply of Hessarghatta water to the Bangalore City as prayed for by the Members of the last Representative Assembly.

Resolved that this question be adjourned to next meeting.

7. Read proposal to hold the City Market Show on the 15th of March 1907.

Resolved that the period is too late in the season to allow of a good Show.

Explanatory memo to accompany the Budget Estimates of the Bangalore City Municipality for the year 1907-08.

The opening balance on 1st July 1906 as intimated by the Comptroller after closing the accounts for June 1906 (final) was Rs. 1,02,572. Adding to the above, the estimated receipts for the current year, *viz.*, Rs. 3,22,269 and deducting the estimated expenditure, *viz.*, Rs. 3,27,705, the opening balance for 1907-08 is Rs. 1,07,136.

	1906-07	1907-08
Class I. (*a*) Cocoanuts, fresh ...	6,000	6,500
(*c*) Betel-leaves	6,320	7,000
„ II. Tobacco, local and foreign....	9,500	10,000
„ III. Timber ...	6,000	7,000
„ IV. Tiles ...	100	140
„ V. Piece goods ...	22,000	26,000
„ VI. (*a*) Sugar ...	2,600	3,200
(*e*) Horse gram	1,500	1,700

I. Octroi.—The trade in the marginally noted commodities has been steadily rising owing to the large demand in the market. The actuals of the past two years and the first half of the current year justify the estimates under this head being raised from Rs. 56,480 sanctioned for 1906-07 to Rs. 64,000 for the ensuing year.

1906-07	1907-08	
8,000	8,000	*II. Lighting tax.*—The lighting tax leviable under the Regulation is one-fifth of the amount of house-tax, which is estimated at Rs. 33,000 as in the current year. A sum of Rs. 1,400 which represents the lighting-tax on the rental value of shops subjected to Mohatarfa taxation as laid down in Government Proceedings No. 4647-8—L. F. 37-99, dated the 28th May 1904, is added on and the receipts estimated at Rs. 8,000 for the ensuing year also.
12,000	15,000	*III. License receipts.*—Rupees 3,000 more are expected under this head, than in the current year as larger income under animal and vehicle license fees is anticipated as a result of closer scrutiny by the Hackney Carriage Inspector of cases of defaulters who fail to take licenses.
23,000	27,000	*VI. Tolls.*—The revenue under this head is steadily rising year after year owing to keen competition. Even making an allowance for inflated bids at times during sales, Rs. 27,000 may be safely adopted.
13,000	13,500	*VII.—Mohatarfa (a) Shop tax.*—A slight increase of Rs. 500 over the estimate of the current year is entered owing to the increase in the number of shops in the City.
500	300	(*c*) *Oil Mill.*—Owing to a reduction in the number of working mills in the City, the estimate under this head is reduced by Rs. 200.
8,000	8,500	*VIII. Rents from Market Shops.*—The increase in the estimate of Rs. 500 under this head is based upon the actuals of the past two years and the first half of the current year.
4,60	5,000	*X. Miscellaneous, Land Revenue and Local Cess.*—The estimate under this head is raised by Rs. 400 based upon the actuals of the past year.
270	500	*School fees.*—A sum of Rs. 350 was collected up to end of December last. Since it may not be possible to assure that the strength of the school would continue to be the same throughout the year, a sum of Rs. 500 is considered to be a safe estimate.

4,500	5,000	*Sale of manure.*—The increased estimate of Rs. 500 under this head is based upon the actuals of the past year.
3,000	3,500	*Scavenging fees.*—Steps are being taken to close the existing privy pits, wherever possible, in various parts of the City. As the number of houses to be daily conserved is likely to increase, an extra income of Rs. 500 is anticipated.
13,500	15,000	*Contribution.*—A moiety of the additional provision of Rs. 580 under Epidemic Diseases Hospital to meet the diet and contingent charges of cholera patients who may be admitted during the course of the year into the Epidemic Diseases Hospital as ordered in Government Proceedings No. 2954-6—Ml. (74-06)-6, dated the 19th October 1906, and a contribution of Rs. 1,320 promised by the Education Department to meet the establishment charges of the Middle School Department of the Kannada Boys' School and Chamrajpet Anglo-Vernacular School as per Government Proceedings No. 140-2—Ed. 270-05, dated the 7th July 1906, account for the increased provision under this head. A sum of Rs. 206 had been provided under Miscellaneous contributions in the current year's budget, but that amount is now reduced to Rs. 96 to bring the total to a round figure.
1,500	2,000	*Other Items.*—The increased provision of Rs. 500 under this head is based upon the actuals of the past and the first half of the current year.
		The other items call for no remarks
		EXPENDITURE.
13,941	14,266	*II. Head Office.*—A sum of Rs. 325 has been provided in excess of that made during the current year under this head. This amount is required to supply uniform (clothing) to the Distraining Officers, Market Serjeant and Veterinary Inspector, Hackney Carriage Inspector and Sanitary Inspector and Overseers. The supply of dress to the out-door subordinates is deemed necessary in the interests of public service. The clothing issued as per Government Order No. 2286-7—Ml. 128-2, dated 19th September 1904, have all become very old and unfit for further use. Hence the additional provision in the budget.
31,956	35,124	*IV. Conservancy (a) Establishment.*—The additional establishment sanctioned in Government Proceedings No. 4870-8—Ml. (4-06)-19, dated 8th December 1906, the and increase sanctioned, for the pay of the two qualified Sanitary Inspectors, in Government Proceedings No. 7813-4—Ml. 55-06-10, dated 7th March 1907, account for the increased provision under this head.
18,000	19,000	*VII. Lighting.*—The existing number of kerosene lamps lighted in different parts of the City which do not admit of Electric lights being supplied and also the number of lights in the two new Extensions are found to be inadequate and frequent complaints of insufficient lighting are being received from the rate-payers. In order to make better arrangements for efficient lighting a sum of Rs. 1,000 is provided in excess of the amount sanctioned for the current year.

5,000	6,000	*VIII. Public Works (d) Drains, Original:*—The construction of new drains in the newly opened conservancy lanes in the interests of better sanitation is deemed necessary. Hence the provision for the ensuing year is raised from Rs. 5,000 to 6,000.
Nil.	2,500	(*i*) *Buildings, original.*—The want of markets in Chamarajpet and the two new Extensions is very keenly felt. It is proposed to construct a few stalls in convenient localities in those Extensions so as to admit of their further extension when more funds could be made available. The provision made under this head during the current year was struck off by Government on the ground of want of funds. But no such difficulty exists for the provision being sanctioned for the ensuing year.
Nil.	1,000	(*h*) *Other Works, original.*—Small works of importance which cannot be brought under any of the existing budget heads such as railing, fencing, etc., require to be promptly attended to. Hence provision is made in the budget to meet such contingencies.
1,500	2,500	(*j*) *Watering roads and plants.*—The sum of Rs. 1,500 sanctioned for the current year has been fully appropriated by the end of February 1907 rendering it necessary to appropriate funds from other available heads, for expenditure during the remaining part of the year in order to maintain the roads and plants in good condition during the present hot weather. The provision is therefore raised by Rs. 1,000 to meet the actual demand.
		IX. Charitable Grants.
9,420	10,000	*Epidemic Diseases Hospital.*—The provision under this head is raised by Rs. 580 to meet the cost of diet, etc., charges of cholera patients that may be admitted into this institution as directed in Government Proceedings No. 2954-6—Ml. (74-06)-6, dated 19th October 1906.
1,000	1,500	*Home for Incurable Paupers.*—Owing to the increased number of admission of patients into this institution the existing staff was found quite insufficient and the same reported to Government in this Office No. 180, dated 26th December 1906. In Proceedings No. 7653-4—Ml. (333-06)-2, dated 6th March 1907, extra establishment costing Rs. 156 per annum was sanctioned. Rs. 344 are provided in excess of the amount sanctioned for the current year to meet the diet and clothing charges of patients that may be admitted into this institution during the ensuing year.
		X. Education.—A sum of Rs. 1,320 is provided in excess to meet the pay of the teachers working in the Middle School Departments of the Kannada Boys' School and Chamrajpete A.-V. School as directed in Government Proceedings No. 7659-60—Ml. (342-06)-2, dated 6th March 1907. A corresponding sum is being shown on the receipt side under "contributions" from the Education State Fund Budget as approved in Government Proceedings No. Fl. 140-2—Ed. 270-05, dated 7th July 1906.
700	2,000	*XI. Miscellaneous other items.*—A sum of Rs. 1,300 is provided for the ensuing year in excess of the grant sanctioned for 1906-07, as the expenditure under Law charges is increasing owing to the institution of suits by the Municipality against defaulting rate-payers. This expenditure is unavoidable as otherwise the difficulty of reducing the outstanding balances under the different heads will be great.
